Memorial of Jesus Christ's Death

Narrows, VA, March 30, 2010 — Jesus gave his life for many. Why did he need to do that? What must you do to benefit from it? You are invited to find out on Tuesday March 30, 2010.

Jesus Christ told his followers that he came to earth, "not to be ministered to, but to minister and to give his soul a ransom in exchange for many." (Matthew 20:28) He willingly gave up his life for the benefit of others.

How did Jesus, by his death, provide a ransom? Why was this necessary? For whom did Jesus lay down his life? And what can his death mean for you?

Each year, Jehovah's Witnesses commemorate Jesus' death on its anniversary. This year, the anniversary falls on Tuesday, March 30, after sundown.

Jehovah's Witnesses warmly invite you to meet with them to examine the significance of Jesus' death. Scriptural answers to the above questions will be discussed.

This special event will be held on Tuesday March, 30 at 7:30 p.m. at the Narrows Kingdom Hall of Jehovah's Witnesses End of Old VA Avenue, Narrows VA.

Everyone is welcome, No Collections.
